Financial Aid Applications

Shorecrest has a fixed financial aid budget that allows us to offer need-based tuition assistance to families that qualify.

Priority is given to students of faculty and staff, current families, and families with students new to the Middle and Upper Schools (grades 5-12).

Families interested in receiving aid must complete a Financial Aid Application through FACTS, an external resource used to determine estimated family contribution.

Apply for Financial Aid at:

www.shorecrest.org/FACTS

The financial aid application and documentation priority deadline is **February 1**.
